Re: Resolution No. 2021-03

Resolution No. 2021-03 authorizes the Mayor to execute a Professional Services Contract with Bowman's Solutions LLC for mailing system equipment.

The current mailing system equipment has been in service for nine years and the lease agreement has expired. City staff contacted the current vendor Bowman's Solutions LLC to obtain pricing for updated mailing system equipment. Bowman's Solutions LLC submitted a proposal for updated equipment with pricing under the State Contract #CC171501002 (MO). City staff reviewed Bowman's Solutions LLC proposal and determined the equipment will meet the City's needs and recommends that the City Council authorize the lease.

The City will be receiving upgraded equipment with improved technology for the same cost as we are currently paying.

I respectfully request adoption of Resolution No. 2021-03 authorizing the Mayor to execute the Contract.
